SONY IS THE BIGGEST IN GAMING CONSOLES AND HALO WASN'T PROGRAMMED BY MICROSOFT NOR IS ANY OF THOSE OTHER GAMES YOU LISTED AND F.E.A.R WAS PUT OUT THROUGH VIVENDI UNIVERSAL. SORRY BETTER LUCK NEXT TIME. KNOW WHAT YOU SPEAK OF BEFORE YOU SPEAK IT.

Ok I got served, lets see now Youve racked up a 12 hour shift at EA, drive halfway accross the U.S. to VIVENDI UNIVERSAL, Half way accross the U.S. to Valve, and now aparently Halfway accross to U.S. to Sony. Are we talking Hovercar or imagination power here? Not only that but apparantly you have the time during the day to post on the forum and watch it over and over again.

You appear to have forgotten where your caps lock button is. I will remedy this for you now. ON most keyboards its on the left side above the Left shift key and under the tab key. Microsoft did invinte the AOE series.

LETS REMEDY THIS

IF YOU LEAVE YOUR HOUSE ON A BUS HEADING SOUTH AT 45 MILES PER HOUR AND YOUR HILLBILLY UNCLE TED LEFT HIS HOUSE IN A RENTAL CAR HEADING WEST AT 58 MILES PER HOUR THEN HOW MUCH WOULD YOUR HILLBILLY UNCLE OWE FOR THE RENTAL CAR?

YOU JUST GOT SERVED ARITHMETIC STYLE

NOW GO FIGURE OUT HOW THAT HAPPENED AND STFU
