It makes none, SpyGuy, although if you don't snipe the engineers, you miss out on an Armor-Upgrade medal, which are always nice to have.

I'm working on a walkthrough for the campagin on Commando difficulty on <http://www.RenegadeWiki.com>, but I havn't had much spare time lately, then I lost all my saves and I'm too lazy to play through the whole thing again.

If anybody finds out, I'd love to know the way to capture to oblisk. I'll put it in there and give credit and what-not...
