To make it look like you are actually serious about this, I would recommend that you take a look into your grammar/spelling.  
Take the following quote as an example:

N1warhead wrote on Mon, 07 August 2006 14:19im gonna start working on the Inferred T-vision right now just lettin you guys no.

This would be better:

CorrectionI'm going to start work on the "Infra-red T-Vision" right now. Just letting you guys know.

Now, doesn't that look alot better?

And you triple posted. There is an edit button you know?
