And the whole point of a forum is that you can appeal. More than one has fought his case on our forums and has been unbanned. Ofcourse when you come and say "OMG y0u 4ssh0les b4nn3d me, you are t3h stupid: I do not h4x!" you got 0 chance of getting unbanned. If you're intrested on reading up some exemples: <http://www.thekoss2.org/forum/viewforum.php?f=5>

Maiden, since you took CW.cc over, my clan's reasons for not joining CW.cc have changed. You are doing your best to make it known and turn around the bad reputation some of your predecessors put up. Just be careful as you tend to have a principle of "who isn't pro me is con me". This isn't necessarily true.
