Sniper_De7 wrote on Wed, 09 August 2006 00:46It stops becoming "policy" when you tell other servers that so and so is cheating, when you don't have any proof what-so-ever, or even an ounce of logic to back you up. So what, you think it would be a waste of time to keep innocent players from being banned? Well, that's what you're agreeing to.

I just told them that you were banned from our server for cheating. They know our policy. They didn't ask me for prove. Don't blame us because other server owners accept our policy. Blame the other serevr owner.
