Hollywood original movie thinktank idea creation method #442:

- Roll 1d20 on action movie actor list.  
----> Result: Samuel L. Jackson
- Roll 1d20 on setting list.  
----> Result: airplane
- Roll 2d20 on plot list.  
----> Results: critters
- Roll 1d20 for type of critter.  
----> Result: snakes
- Roll 1d6 to decide size of critter.  
----> Result: ordinary

[/sarcasm]

This movie looks like it was randomly generated, and will therefore likely not be worth the money.  
Recommendation: wait for rental or neglect.
