OK, I accept your opinion about DM Maps using Heighfield.
If you dislike this type, I cannot change that, right?
But if you haven't even downloaded them, don't tell me, it's only some bumps in the ground. I think, a map is good, when it's fun playing and when it looks ok.
I think these maps are fun, and they look not bad. But that's just my very own opinion.

No1 else here? :rolleyes:
