first of all i am going to brag. and then i am going to tell blaser that the video can be streamed. then someone will post, and put me in my place.

1)it is normaly faster but i was downloading alot of other things.

2)Blaser, the video can be streamed

3) when someone posts with a faster speed.

i thought the movie is very interesting, i havn't watched it all yet though. quantum physics rocks!  
lol
