BTW,when I asked you 1v1, u said l8ter, i caught u playing l8ter, u said u were going out, and then had to move so u couldn't for like 2 weeks, ROFL

That doesn't seem too bad considering I actually did have to move. Although I should concede that moving isn't nearly as good as an excuse as "working on [your] web site."

You never added me on MSN either... strange.
