EDIT: NM renegade is working fine now

I got a present for ya!

Sizing isnt perfect yet, nor are hand positions, and it isnt textured as you can plainly see...but it does fire perfectly straight and as you can see it doesnt look to shitty ingame, cant wait till its textured:-), catch me on AIM merogrivian(sp)

Game doesnt lag either.

The HUD in the bottom left corner features a circular radar with a green arrow pointing upwards, labeled 'WW'. Below it is a green health bar with a white cross icon and the number '+100' above it, and '100' below it. To the right of the health bar is the 'EVA' logo.
