About the e-mails, all I find necessary to say is that you still haven't answered this question:

Quote:Now, I challenged you to explain exactly who you mean by this - you couldn't think of a response, but I'll happily give you another go. It can't be the admins in charge of Renegade, because we administrate the Renegade league in a mature and professional manner. It can't be any specific player because why would you need their involvement?

Crimson wrote on Thu, 14 September 2006 02:15Quote:You never gave a shit about providing clan support to Renegade until I posted that thread on XWIS. Go ahead and pretend that's untrue, I dare you.

100% bullshit. You can't claim to know my plans or my thoughts. I don't like to announce things before they're at least starting to come to fruition.  
Who do you think you're convincing here?

Crimson wrote on Thu, 14 September 2006 02:15Quote:Considering how often you've publicly stated that clans and a clan league are a waste of time, etc.

I did? When?  
all the time...

Crimson wrote on Thu, 14 September 2006 02:15Quote:On my watch as admin/overseer of the renegade league, there has never been a single 24-hour stretch where either myself or a fellow admin wasn't there to add peoples' games, answer questions, etc. Compare that to your ten-month stretch of utter neglect.

Well, on my watch as admin/overseer of the Renegade Forums, the RenGuard network, the n00bstories Renegade server, the n00bstories IRC network, and the n00bstories website, there has never been a 24-hour stretch where I wasn't there to answer questions or emails or private messages. Is that a worthwhile comparison?  
No, because I was talking about clan ladder.

Crimson wrote on Thu, 14 September 2006 02:15Quote:Way to dodge my earlier statement directed at you, by the way.

Sorry, but most of the time I can't bring up the energy to respond to shit when you seem to ignore that I ever said anything later.  
You didn't reply to my earlier statement at all.

Crimson wrote on Thu, 14 September 2006 02:15Withdraw your request... I don't mind. You're the one who came to me, remember?

Request? I offered assistance for your benefit, not mine... simply on the basis that I know you don't have the faintest idea how to run a successful clan ladder. As for "you're the one who came to me, remember?", you're the one who posted a thread asking people to, remember?
