Merovingian wrote on Fri, 15 September 2006 12:11 Exactly my point, there are two versions of the mission tracks in always.dat (no idea why) some have prefixes others don't. Try the ones with the prefixes (IE: 01-command&conquer.mp3 or 08-sniper.mp3 etc).

And to my knowlage "level 0 ..." stuff is dialog.

right, i put BETA 4 onto my server tonight with the new prefixes and see if it works correctly
