icedog90 wrote on Wed, 20 September 2006 02:30He means having the first box (which covers the upper half of the character) move down with the head when you crouch. Someone ought to try this or figure this out. That'd be cool.

yeah i got that, its just that he said "Only think tho is if you let go of the crouch button you would stand up into the roof!"

Thats what im questioning
