warranto wrote on Tue, 26 September 2006 11:58Heh, I'm one of those types that serious players tend to insult.

I've been playing for *gasp* almost 1 year, and have not progressed past level 48! And that's about 8 levels in the past 3-4 months; the horror!

I'd say there is no fear of an online funeral being held for me.

I think I Found a solemate. Level 35 hunter FTW!
