Oh quit moaning. Generals was made to fit in with the current state of affairs on this planet (Terrorists, China becoming a superpower etc.) and it wasn't such a bad idea. The only reason it's crap is that it completely ruins the C&C running storyline.

Now, back on the subject, is XWIS down for the other games too? If not, then we have a right to formally complain, seeing as this is the second time that's happened.
