zertos123 wrote on Tue, 03 October 2006 10:41 most of these links are dead or missing does anyone know of a link thats not dead???

<http://www.renhelp.net/>

^ This is all you need really

We don't really need this thread stickied if someone wants to ask for a tut they will ask in the usual way then get given a renhelp link and then most likly some off topic discussion will start about graphics card or fps
