You have absolutely NO clue as to why he called you stupid, do you? He's not calling you stupid for voting "yes", nor is he calling you stupid for disliking Aircraftkiller. He's calling you stupid because of WHY you voted "yes". You haven't been here long enough to know half the shit that's happened over the years. All you can base your opinion on is what you've seen on the forums. If you have such a narrow view of him, how can you vote "yes"? Being an asshole on some forums (that has no set rules) isn't something that deserves a ban. THAT is why he was calling you stupid.

I'm glad someone here caught on.

Mad Ivan, half the reason why you voted for him to be banned is for shit that happened on another site. What he did somewhere else has nothing to do with this vote. Before you decide to say, "OMG BUT HE DID SHIT HERE ALSO D:", read what j_ball430 just said in his post - "Being an asshole on some forums (that has no set rules) isn't something that deserves a ban."

Hey, it's just my opinion, Coolrock. I voted "yes" and will continue to support my statement.
