idjit626 wrote on Sat, 07 October 2006 00:50I shall no longer be known as idjit626 which is easy to make jokes about. Now, because I made the account on renegade and it wasn't taken, I shall be known as... VIKING!! Vikings are cool right? Well whatever... I think they are. Can an admin please change my name on the forums!

I made this topic so everyone will know who I am, if I just e-mailed crimson and had her change it you would all be like "WHO THE FUCK IS THAT!?"

If you got your name changed, we'd still know it's you, even if you don't tell us. How? You have a, let's say, unique, posting style.
