idiots.\*

We have 18 players all ranked below 100, I was ranked 9th when i started the clan, which owns your 10,000 rank. BTW, you probably dont even play ren anymore and anyone could own you, so stfu

is this TRPM server rank?

You must be so proud.

Your clan is shit.

You are a fucking pussy who can't back up his shit talking with accepting ANY challenge.
