Quote:You dont mind if I use it in my sig do you?

you really mean..

Quote:You don't mind if I steal your bandwidth, do you?

Then no, I don't mind.

lol ...that took damn long to load! even with me broadband

i feel sorry for them 56kers..

i remeber those days \*sigh\*

It took me about 2 seconds on the computers here at school. (Not the fastest connection in the world...)
