Hey Greg (aka Matix) ... (aka teh pwnerer).....

Could you kindly tell the community about your latest project? I believe its a new bot that you and Dave4989 have 'created' for RenCorner called 'Shadow Regulator'.

Please, tell us about your exciting new development.

[See RARd screenshots]  
\*He is ripping CS.

I can't wait to see you try to get out of this one, fucktard.
