thrash300 wrote on Sat, 21 October 2006 01:39EDIT: Im still a bit confused on those MODS, say that I have a mod that will allow flying vehicles on all of the original Westwood maps, will people HAVE to have the same exact MOD

Yes, if your hosting it on your server. If your joining other servers their maps won't be 'modded' to allow flying vehicles anyway, so it won't make a difference
