Subject: Items to Chars, and Vechs?
Posted by BlueThen on Sat, 21 Oct 2006 23:16:08 GMT

Anyway to change the skin of a char/vech(nonflying)into a item?
I've been trying to figure it out for years (actually for a few hours...)!!!

I've been trying to figure it out with level edit... So do I have to use gmax (I'm no pro at that)?
