But I am more inclined to believe someone who saw a plane rather than someone who has never been in or near a building that crumbled from the top down telling us what it should have looked or sounded like.

THANK YOU GOD! AT least some of you understand that even dismissing a conspiracy theory as absolute bullshit is in reality missing out on something, weather it is real or not. HERES A CONSPIRACY: BUSH NOT DEFENDING THE BORDERS, SERIOUSLY PEOPLE HOW CAN YOU FIGHT A WAR ON TERRORISM WITH YOUR BORDERS WIDE OPEN! By the way: lol Im spreading propaganda in my other topic! LOL!
