Hah, I must've seen this on about 6 forums now.
Very funny indeed! It makes you wonder what'll happen when someone comes and asks for his cashcard number.

P.S. in the version I read, http://duggmirror.com/gaming_news/Hilarious_read_Thirteen_ye ar_old_tries_to_steal_a_Steam_account/ , the ending isn't quite " Go mow some yards, brown beaver. "
