I wouldn't go so far as to say there's no point. Pretty much everyone at CW knows who the best clan is right now, but all the other clans, clans who are 90% sure they aren't about to win a cup (my own clan included) compete in the league nonetheless. There's so much more to a ladder than simply being at the top of it.

trooprm02 wrote on Wed, 08 November 2006 14:35now Im just wondering how long it must take to report all those games and etc just to get some worthless points.
About 30 seconds?

trooprm02 wrote on Wed, 08 November 2006 14:35A good idea, which im sure would make things worthwhile is to like add prizes or something..

We've been offering prizes for some time. Free games as sponsorship from Electronic Arts, all manner of C&C collectable stuff (soundtrack CDs, Renegade mouse pads, etc...)
