If you knew what I know, you would most likely be doing the same thing. I am trying to shine some light on you all. And if you do not understand what I am doing then fine, but please do not post derogatory bull shit, because generally I don't need it.

I do not care about anything you know. If I knew the same things as you, I would still not be posting useless spam threads about it.

You live on an oasis where it is ok to be ignorant, stupid, and full of shit.
