Silent Kane wrote on Thu, 09 November 2006 15:52 Yes, it will after one or two days of it running without any failure/other problems.

How will it work?

Will it be a case of either running a .dll made by you, or running Johnwill's/WD's one and it over-rides yours because it loads last?

Will there be a source code release?

Great work BTW, real nice job
