I camped out and got mine at exactly 8:37AM, I was first in line but my debit card was locked so I had to wait for my step-father to get there and pay for it.

Any way, so far it doesn't disappoint. Got myself a second Wiimotes and I'll probably go get new games tomorrow (Zelda, Rayman).

I woke up at 10AM yesterday and got there at 4PM, was joined by two others at 5 and blah blah blah, camping out was awesome... Although the cold almost made me lose my legs. :<

People who got there at 6 at to leave because we were over 42.
