More like, fanboyness has hypnotized you.

What? I'm saying is that all you people are falling for that console. The ads might look cool, but the console probably is 10 times worse. Now stop spending your time obsessing over some overpriced console, and use your life a little bit wiser.

Yeah. Sure. Am I not supposed to trust several of my well-trusted friends (that own it), even though they told me they are loving it? Why do you say it's 10 times worse? Saying that doesn't make you anymore sure than I am, most likely less. I do use my life quite wisely, thank you. You don't know what I do in my life, so you have no right to assume that.
