havoc9826 wrote on Wed, 22 November 2006 00:36Er, that wasn't what I meant. The second video, the one for 9b, has an opening overlay screen saying it's level 5a again.

Oh, I thought I changed that, well I suppose I will fix it (The sad part about it is that I watched it twice for errors and I missed that one, although I was looking specifically for movie transition errors [like fades in the wrong spot and things like that]).

Sorry for the misunderstanding.
