yay!

```
int return_bumped_topic(int topics)
```

```
{
    topics = topics + 1;
    return topics;
}
```

```
int main()
```

```
{
    topics = return_bumped_topic(topics);
    return 0;
}
```

i had to post, we needed to call BT cuz the internet had gone down and all i get is a bad accent and "please restart your computer" all i say is i have already done this but they still persist and say it.
