Though I respect the fact that BiO is so "anti cheater" I think they go a bit extreme. They do have a few good players, but I agree with #gw on this one ... they make a habit of calling anyone better than them 'cheaters'.

And trooprm02, I thought we spoke about this? Just let this thread go. You're the only one fueling it on. Smoke is long gone to the best of our knowledge, WG died, and TRPM has more important things to worry about.
