Possible definitions from urbandictionary.com:

1. BCS

Logical formula which determines which teams should compete in the NCAA Division I football national championship game.

"Boise State beat Hawaii, so USC must suck!"

"The BCS makes about as much sense as a monkey trying to fuck a football."

2. Short for Body Cavity Search.

Listen officer, I really don't think a BCS is necessary on a speeding ticket!

3. BCS

Black Cock Slut. This is fairly new terminology. Most people still think you're talking about NCAA Football.

That overweight white girl with the big earrings is a BCS.

I'm guessing it's the latter.
