Florida's schedule was harder, and they proved powerful this year, but I don't see them putting up as much of a fight against OSU as Michigan would.

Friendly wager? lol

Notre Dame had a hard schedule this year. They are overrated, but not by as much as you seem to think.

I personally think ND is. Look what they did last year, beat only 2 or 3 teams that went to bowl games. This year is a tad bit better. I think that if u bet on football, LSU over ND is the money bet no matter if LSU is picked by 3 or 23.

j_ball, I'm a huge college football fan. I went to Auburn, so trust me I hate the BCS more than most people after what happened in 2004. Are u a UM fan, being that u r from MI?

luv2pb, a playoff would be nice, look at D-1AA and D-2/3 playoffs, they work, but there is too much money involved for them ever to implement a playoff system in D-1

Auburn has gotten screwed just as bad as Michigan in the past. You're about the only one here who shares my pain

At any rate, bring on USC.
