For fuck's sake. I hate affirmative action. It's really a big farce. All it does is creates a "reverse" inequality. Instead of the white man putting the black man down, they slap the white man. Whatever happened to equality of opportunity? Now we're slapped in the face with equality of outcome. It's complete and utter bullshit, and I certainly don't view you as a bigot.

I am SO happy that Michigan passed Proposition 2 to ban Affirmative Action programs. If you want equality in the workplace, hire those based on credentials, not race. It's quite a simple concept, really.
