Lol,

Thanks for that,

but I always wanted Seargent, don't know why, lol.

But, back on topic..

If you want a good clan to join, have a visit to [www.tsugaming.com](http://www.tsugaming.com) - they have 2 clans, (as far as I know..) and they are good ones. And well assembled, and have a strong background, have them a visit, I know they will treat you well, (if you do likewise.)
