gamemodding wrote on Thu, 21 December 2006 20:58i would like to thank most of the people that have posted here...your right, i shouldn't just go cry to mommy...il cry to my ignore button instead.

A few bad apples isn't worth leaving something that you have dedication for. The ignore button is your friend. There's nothing pathetic about shutting up a few mouthy assholes. Granted, I'm not exactly exempt from that title, but I'm not pure annoying.
