First link gives 404.

This is what it looks like in iexplorer 7 for me:

The screenshot shows the top portion of a website. At the top right, the text 'DCOM' is visible in a large, bold font. Below this is a navigation bar with the text 'Welcome!' followed by 'To the official website of DCOM Productions. DCOM is owned and operated by'. The navigation bar contains several icons: a clock, a globe, a person, and a document. Below the navigation bar is a 'User Authentication' section with two input fields labeled 'Alias:' and 'Password:', and a 'Log In' button. Below the login fields are two links: 'Register an account' and 'Forgot your password?'. Below the login section is a breadcrumb trail: 'Index >> Home/News'. Below the breadcrumb trail is a news item with the text: 'RANT! I was ready to take my semester finals today, but mothernature all of her snow on Colorado. I woke up this morning to find out that sch canceled, not just mine too, the entire district. So, I have an extra day done around the house and study for finals. I guess I can't really compl have rather taken my finals today than stay home.' Below the news item is a date separator: 'December 20, 2006'. Below the date separator is a section titled 'The website is under construction' with the text: 'The website is under heavy development right now. Currently there are in the table designs. I am having alot of trouble with the Visual Studio D When I do get the designer and table layout working, I will be able to c pages. Before hand I need to change the left column background. It loc'.
