LOL yeah not true.. its called freedom of speech, i can post what i want, i did because everyone was wondering obviously you dont read much, its one of the biggest topics. Me and sharpie? Your kidding right? yeah i would never LOVE him, hes a good friend but no a bf, your retarded man.. And that topic wasnt about ME if you actually read it.. it was about Homosexuality vs. Heterosexuality, not ME.

And I defended him because hes my friend and he did it for a cause, and you know? I WAS in the server at the time but afk, so I couldnt ban the person. Sharpie always talks to me when he bans someone, he hates you, why would he talk to you? Everyone hates you... Including myself after that retarded post above..

Oh yeah and nice bluff (You know what I'm talking about )
