That's not all very true. According to the Renguard mainpage, 2922 players have logged into RenGuard in the last 24 hours. So thats about 3000 people in 24 hours,that number does NOT include the people who don't use Renguard (like myself) who account for about less than half of the players.

About 500-600 people (400-450 on WOL, 100-150 on GSA) play Renegade at any given time as well. So Renegade is still pretty much alive.
