Jimbo27 wrote on Sun, 07 January 2007 09:53So wait, what exactly did this 0x90 guy do?

If he made a cheat, why the fuck isn't he banned from XWIS and the forums?

as explained in this thread:

1. Yes he did
 2. He doesn't play ren so no serial to ban
 3. He hasn't broken forum rules and actually helps people here
