Quote:I have Austin Power's "Yeah Baby, Yeah!" for my replacement boink. I've had it for about a year now, and it's great. It's funny...once on Walls\_Flying, when our airstrip was destory (I was on Nod), I stole a GDI APC, and therefor had the last remaning vehicle in the game. GDI lost everything but it's barraks. They kept taunting, saying stupid things like "Come on Nod, come and kill us". So, I loaded as many as a could in my APC, and a huge line of infantry followed behind. Once I went into the GDI base, there were infantry EVERYWHERE. On top of the warfactory, in the tunnels, on top of the barraks, etc. So, I shot all them down, and most of my infantry ran into the barraks. Then GDI blindly started running from the WF to the barraks.

"Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!" "Yeah Baby Yeah!". There was some more, but that's a breif summary .

lol, if you really got going it would be: "YEAH, YEAH, YEAH, YEAH, YEAH, YEAH, YEAH, YEAH!"
