Crimson wrote on Fri, 12 January 2007 04:32l welcomed bringing back those discussions that did need further discussion. I specifically said that.

To be fair she did, I don't think the desire is there to set things up, so I am done with it for now.

It seems that the train of conversation simply resulted in flames from all directions - seems better for everyone if Spooky and Crimson sort things out between themselves.

flooded if you are interested in the concept and not just arguments between spooky and crimson then give me a shout.
