I just had to give a speech to my poker players tonight because I've heard that some of them are doing marijuana outside my house at breaktime. I basically told them that I don't know what I ever said or did to imply that it was OK to bring illegal drugs anywhere near my house.

I also drink only once or twice a year and never to drunkenness, so don't call me a hypocrite. I think people who need to get high or drunk to have a good time are pathetic. I swear some people think that a party without drinking can't be fun. Lame, lame, lame.

You're not a hypocrite cause you don't drink and get drunk. Some go out every weekend and get plastered but then criticize those who do drugs. I drink occasionally. I used to drink a lot but got alcohol poisoning. I'm very selective now on what I'll drink and only every now and then.

I just don't like people who say drugs are bad but have other vices just as bad or worse.
