Hey I have thr Blaze Rol. Im using the 2nd baisc one with all the sounds. I have the first one and xrated 2. Im thinking about making my own tho from a shit load of games.

One time on Voc. I was following behind a SBH (i was in a stank) he plants a nuke, and i sit over it. (this is a 56 player game) and all GDI had was the Barr.... I ran over 20+ people trying to disarm it. I just running back and froth.. first one was 10+ and I went back and got 5, and forward again and got 5+ more. Was funny as hell.
