I just had to give a speech to my poker players tonight because I've heard that some of them are doing marijuana outside my house at breaktime. I basically told them that I don't know what I ever said or did to imply that it was OK to bring illegal drugs anywhere near my house.

I also drink only once or twice a year and never to drunkenness, so don't call me a hypocrite. I think people who need to get high or drunk to have a good time are pathetic. I swear some people think that a party without drinking can't be fun. Lame, lame, lame.

Good idea. Marijuana laws in Arizona are very strict and unnecessary. (linkage)

I'd like to point out that this was also the case with Marijuana, and that it also has a lot of documented medical use.

Personally, I'd rather smoke than fill my body with a socially acceptable toxin. (I don't drink, BTW).
