I always thought ssaow positions were equivalent to the positions in max... 1 unit = 1 unit sort of thing.

I have logs with 3 numbers for the position, which sort of supports this idea...

[19:25:19] _GAMELOG CREATED;VEHICLE;1500000008;vet_sys_flamer;-105;46;1;0;400;400;0
