That vid is fresh, eskamo WAS usig final ren, a BiO member filmed it, eskamo confessed as well as the 2 others playing that he was using FR, about a week ago..... your behind

troopr02 wrote on Fri, 19 January 2007 19:59Moving to a bigger scale, Tsunami Alliance. After kicking 14 and 18 from my clan,

We quit...

troopr02 wrote on Fri, 19 January 2007 19:59they went on to join BHE, which then joined the Tsunami Alliance. I had warned fl00d3d that they were cheaters from day #1,

Those BHE guys dont cheat, eskamo did for ONE game, thats all.. moving on

troopr02 wrote on Fri, 19 January 2007 19:59about 2 weeks later the incident with BiO happens. This is "told you so #1". The leader of BHE (killer, convicted cheater)

1. I wasnt the leader... [BHE]f1r3blaz3 and [BHE]crazyme99 were  
2. the convicted cheater thing your lying about, yes i am, but you know the real story, and you know your lying, want me to refresh your memory? hell ill just tell it to everyone, (i was still in TRPM when it alllll happened): 02 starts really pissin me and ex-14 (sharpiei) off by posting bs on these forums and braggin like hell, so me and sharpiei get an idea, but it was a bad one, just decided what the hell, so I put on (dont know what he used) big body and big head, just for about 3-4 hours though under the troopr tag to kinda weave players to think TRPM was hacking, i knew it was wrong but personally i hate 02, hes a bastard. So as fl00d said, i got my lecture and my punishment, it was a fair punishment. And im 12 so you know, not 13... Who cares though? Movin on...

troopr02 wrote on Fri, 19 January 2007 19:59has now moved on and joined R\*R, another tsunami alliance clan. So what does this mean? I don't suggest warring R\*R And basically this means anyone clan that contains convicted cheaters, or plans on using cheats, visit [www.tsugaming.com](http://www.tsugaming.com), you'll get all the support you need

No one in TSUgaming hacks, some have had there quick share but also there proper punishment, no one in R\*R hacks whatsoever, we joke about it but its just a clan joke, RRgunner is probably one of the biggest anti-cheat players you'll ever find. And to flame TSU like that, dude your screeeeewweeedddddd.

troopr02 wrote on Fri, 19 January 2007 19:59Pretty funny, before the BiO thing, and after I proved myself by having killer admit to using big bodes on teamspeak, fl00d3d starts this thread on the forums

Great Stuff, ROFL. Anyway, in conclusion, anyone who said I dodged a CW with [ZT], can you

say "I told you so" ? ANd there is everything you'll ever need to know.

You dodged that cw... and thats not everything we need to know.. Thanks for a lot of great quotes though

fI00d3d wrote on Sat, 20 January 2007 01:51(1) trooprm02, why were you hanging out on the TsuGaming.com teamspeak today, then?

Yeah.. why were you on? Just sittin there, waiting, not talking, listening, think we're talking about you? Yeah 04 was doing the same thing
