Hehe..Nice SS's, I like the last one. Shows how many ppl were actually running around and playing instead of joining and !AFK'n.

Men Of God servers were fun...cept the ghey kicks...for words like surfage or something like that...see "f.a.g." "Player has been kicked for language"I think I remember ban after like 3 too...usually was on accident too. But nonetheless you had to wait your time.
